

INDIANA TOWN ELECTIONS

The Figures of Yesterday's Balloting Are Very Comforting for Republicans.

The Party of Progress Holds Its Own as a General Rule, and Makes Important and Substantial Gains at Several Points.

Encouraging and Satisfactory Starter for the Great Contest of November.

New Albany Shows a Very Handsome Republican Majority by Way of Novelty—Terra Haute Votes for the "Wide-Open" Policy.

The results of yesterday's charter elections throughout Indiana, as furnished by special telegrams to the Journal, will be found below.

GREAT VICTORY IN NEW ALBANY.

NEW ALBANY, May 1.—The city election passed off quietly to-day. Only councilmen were voted for. The Republicans carried the First and Fifth wards by 726 majority. The Democrats carried the Second, Third and Fourth and Sixth wards by 341 majority, giving the vote to the Republicans on the popular vote by 385 majority. The city usually goes 500 Democratic majority on the popular vote. In the Second and Third wards no Republican candidates ran. The Progressives had a candidate in every ward, but they received but a small vote.

SWEEPING VICTORY AT WARSAW.

WARSAW, May 1.—The city election to-day resulted in a sweeping victory for the Republicans, every candidate on the ticket being elected. The majority for Pettit, for Mayor, is larger than any ever before given for a candidate for that office, reaching 286, and Ellis, Republican, for marshal, reaching a majority of 360. Crain, Republican, is elected over Hipps, Democrat, by 23, in the First ward; King and McClure, Republicans, are elected over Smith and McCowan, in the Second ward, and McHenry, Republican, over Hubbard in the Third ward, by increased majorities. The Council now stands five Republicans and one Democrat—a Republican gain of one. The prohibition vote for Mayor was 60, nearly half of which was drawn from the Democrats. Republicans here are in less feverish to-night. Harry Pettit, the Republican Mayor-elect, is the youngest Mayor in Indiana, being but twenty-three years of age.

PERU REPUBLICANS JUBILANT.

PERU, May 1.—The city election to-day ended in almost a Waterloo for the Democracy, and a queer combination of results as to majorities. For councilman from the First ward, Dora Sullivan, has a majority of 4; Second ward, Henry Haupt, 60; Third ward, Thomas McDowell (Democrat), 64; Fourth ward, George Delbert, 1. The First, Third and Fourth wards are strongly Democratic. Andrew Fausnacht, informed by the Republicans, was elected water-works trustee. It was a hard-fought contest, and the Republicans are jubilant.

CITIZENS' TICKET ELECTED.

ROSVILLE, May 1.—The election in this city to-day passed off without much trouble, although it was a hotly-contested one. The whole citizens' ticket, comprised of three Democrats and one Republican, was elected. The main fight was made on the office of marshal. Samuel G. Vance, the candidate on the Republican ticket, was defeated by a majority of 54. He was at one time marshal of this city, and during his incumbency he was a terror to the gamblers and saloon men. To-day that element contrived all their forces against him, which resulted in his defeat. Lon H. Carr, Republican, was defeated by Wilson T. Jackson, Democrat, for Mayor, by a majority of 53. Gates Sexton, Republican, was defeated by John Kelley, Democrat, for clerk, by a majority of 62. David Graham, who was the candidate for treasurer on both tickets received the full vote of the city.

GAINS AT GREENCASTLE.

GREENCASTLE, May 1.—The city election resulted in a Republican victory. The Democrats gained one councilman, in the Third ward, and lost one in the First. The following is the ticket elected: Cowill, Republican, Mayor; Lewis, Republican, clerk; Jackson, Republican, treasurer; Spillon, Republican, assessor; Starr, Republican, marshal; Hanna, Republican, councilman; First ward: Blake, Republican, councilman; Second ward: Hensley, Democrat, councilman; Third ward: The general result shows Republican gains.

NO CHANGE AT JEFFERSONVILLE.

JEFFERSONVILLE, May 1.—The city election passed off quietly. The Council remains unchanged—eight Democrats and two Republicans. The Democrats elected to-day are: Wm. McCoy, Dr. W. D. Fouts and John Glasco. The Republicans are: J. I. Dorsey and Ed. Morris, the latter being chief engineer of the E. & W. Railroad Company. The bridge appropriation was carried by an overwhelming majority.

IN ISAAC GRAY'S HOME.

UNION CITY, May 1.—Union City held an election to-day for Mayor and full city ticket; also, one councilman for each ward. In order to help Governor Gray's vice-presidential boom, the Democrats had put a full ticket in the field and did their very best. The entire Republican ticket was elected by an increased majority. The Third ward, heretofore Democratic, gave Frank H. Bowen, Republican, 46 majority for Mayor, and elected J. C. Platt, Republican, to Council.

REPUBLICANS WIN AT BRAZIL.

BRAZIL, May 1.—Brazil elected a councilman from each ward and a city treasurer to-day as follows: J. Barrowman, councilman First ward; C. H. Ruse, Second; Thos. E. Hayes, Third; all Republicans. Thos. Henderson, Republican, was elected treasurer over Wm. J. Stewart, Democrat, by 330 majority. On councilmen the Republicans did considerable scratching on account of purely local questions, but the majorities range from five to forty-three.

THE RESULT AT MADISON.

MADISON, May 1.—The election to-day resulted in the re-election of Mayor Brashers, Democrat, by 22 majority. Hinds, Republican, defeated Pogue, Democratic incumbent, by over 100 votes. The Republicans gained one councilman, John W. Thomas, in First ward, and elect Alling, in the Third; White, in the Fourth, and Sappington, in the Fifth. The Democrats re-elect Chapman, in the Second, and Klein, in the Sixth.

DEMOCRATS AHEAD AT LAPOORTE.

LAPOORTE, May 1.—The Democrats, backed by the saloon element, in to-day's city election for councilmen and water-works trustee, elected three out of five aldermen and a member of the water board. The saloons worked hard to elect their candidates in order to get the Sunday-closing ordinance repealed, which they hope to do by gaining a majority in the Council.

REPUBLICAN GAINS AT ANDERSON.

ANDERSON, May 1.—Unusual interest was manifested in the city election here to-day, and a full vote was polled. McClure, Republican, was elected Mayor by a majority of 163. The treasurer, marshal and assessor are returned to the Republican by good majorities. The Democrats elect the clerk and two councilmen. The returns show marked Republican gains. The Council now stands a tie.

LIGHT VOTE AT KOKOMO.

KOKOMO, May 1.—At the city election to-day the following Republicans were returned: First ward, James D. Johnson; Second, Dr. J. H. Rose; Third, Samuel Redmond. The Democrats re-elected Thomas Flynn, from the Fourth ward, by a greatly reduced majority. The political division is the same as the returning Council. The vote was light.

WIDE OPEN AT TERRA HAUTE.

TERRA HAUTE, May 1.—In the city election, to-day, the Democrats carried all six wards for councilmen on the issue of a "wide-open" town, they favoring the candidates led by one

who, the Gazette, the Democratic newspaper, said would continue, as in the past, to favor public gambling.

TWO DEMOCRATS AND ONE REPUBLICAN.

GREENFIELD, May 1.—The municipal election to-day resulted in the choice of two Democrats and one Republican councilmen. The new Council will stand the same as the old one—the four Democrats and two Republicans. The proposition to establish a system of water-works was decided in the affirmative by a vote of 423 to 77.

NINE REPUBLICANS AND THREE DEMOCRATS.

LAFAYETTE, May 1.—The result of to-day's municipal contest was the election of four Republicans and two Democratic councilmen, making the Council stand as at present, nine Republicans and three Democrats. A Republican water-works trustee was elected.

TWO APICES AT SHELBYVILLE.

SHELBYVILLE, May 1.—The election in this city to-day was for members of the Council, and resulted as follows: First ward, G. W. Kennedy (Rep.); Second ward, Joseph McBride (Dem.); Third ward, Henry Friday (Dem.); Fourth ward, F. D. Blanchard (Rep.).

GAIN AT GREENSBURG.

GREENSBURG, May 1.—In the city election to-day three Republicans and one Democrat were elected councilmen. One year ago the Republican Mayor was elected by 52 majority. The total Republican majority to-day is 254.

ALL REPUBLICANS.

CRAWFORDSVILLE, May 1.—The Republicans elected the entire city ticket by the following majorities: Mayor, 404; marshal, 477; treasurer, 402; clerk, 175; assessor, 385; councilmen, Hadley, 108; Duncan, 53; Carr, 144. The prohibition vote was about 25.

DEMOCRATIC GAIN AT RICHMOND.

RICHMOND, May 1.—The Republican candidates for Council were successful in four of the seven wards, the Democracy re-elected in two wards and securing one additional on a Republican split in the Fourth ward.

TOOK PRETTY NEARLY EVERYTHING.

FRANKLIN, May 1.—In the municipal election everything went Republican except the office of city marshal and councilman in the Second ward. G. M. Overstreet was elected Mayor by 27 majority.

A CLEAN SWEEP AT PORTLAND.

PORTLAND, May 1.—At the city election to-day the Republicans made a clean sweep, electing a Republican councilman in each of the three wards for the first time in the history of the city.

"BUFFALO" MILLER DEFEATED.

SOUTH BEND, May 1.—The Republican candidate for Mayor, "Buffalo" Miller, was defeated by W. H. Langley, the Democratic candidate, who received a large Republican vote.

REPUBLICAN GAINS AT DELPHI.

DELPHI, May 1.—The city election passed off quietly. The Republicans elected the assessor and two out of the three councilmen—a gain of assessor and two councilmen.

A GAIN AT WASHINGTON.

WASHINGTON, May 1.—At the city election, to-day, the Democrats elected two councilmen and the Republicans one, a gain of one Republican councilman.

SAME AS USUAL.

NOBLESVILLE, May 1.—The city election went off quietly, a small vote being polled. The entire Republican ticket was elected by the usual majority.

DEMOCRATS GET SIX OUT OF TEN.

FORT WAYNE, May 1.—At the municipal elections held here to-day the Republicans and Independents elected four out of ten Councilmen.

VICTORY AT TIPTON.

TIPTON, May 1.—The Republicans triumphantly elected the entire city ticket, to-day, except marshal, by sweeping majorities.

SKEETCH OF MRS. MENDENHALL.

An Active Christian Life, Complete in Good Works, Closing in Peaceful Death.

Yesterday morning, at the residence of her son, Dr. T. B. Harvey, Elizabeth Harvey Mendenhall died, in the eighty-seventh year of her age. She was born near Lynchburg, Va., and in 1812 her parents removed to Ohio. They were members of the Society of Friends, and she was always a faithful and active member of the society, and held in its various positions of trust and confidence. Her faith was manifested by her works, and her whole life was characterized by words and acts said and done for the benefit of others. While this was prompted by her kind and gentle nature, it was also the reflex of the experience and teachings of her parents. Her father, Thomas Burgess, endured the hardships incident to standing for principle in the early days of the Friends in the Penn colonies, and her mother, Elizabeth Burgess, nee Hendricks, was among the first to maintain that the colored man was entitled to freedom, and her inheritance was much lessened by the liberation of slaves as otherwise would have been. When her parents moved from Virginia to Ohio they were followed by many of their colored people who had been freed. Mrs. Mendenhall was at this time twelve years of age, and her education was superior for those days. She and her first husband, Dr. Jesse Harvey, were instrumental in forwarding education in and about Harveysburg, Ohio. About 1840 they invested a large portion of their means in establishing an academy and erecting a building therefor, and devoting much time therein as teachers. At a time when there was very unpopular, even among those who afterwards became warm abolitionists, Mrs. Harvey in one room of the academy taught a class of colored children and continued to do, although the patronage of whites was withdrawn from the school on this account. This was the first school for colored children in Ohio.

In 1847 she removed with her husband and family to the Friends' mission among the Shawnee Indians in Kansas, and there conducted a school of Indian children and taught in the Indian in acquiring the advantages of civilization. After the death, in Kansas, of her husband she returned with her children to Ohio, and afterwards removed to Pleasantfield, Ind., where her time her life has been largely spent in quiet Christian work. Since the death of her second husband she has made her home with Dr. Harvey, of this city. She leaves a daughter, Dr. Wm. F. Harvey, of Kansas City. Her only daughter was the first wife of the late Judge Solomon Blair. Her last illness was brief and her death almost painless. She retained her mental faculties to the last. Last evening the members of the Marion County Medical Society passed resolutions of condolence with her associate, Dr. Harvey.

Kern's Services Declined.

The interest John W. Kern took in defeating John E. Sullivan for delegate to the St. Louis convention has affected the appreciation Sullivan has heretofore held of that lawyer's ability to move a jury by his eloquence. It is said that Kern urged the delegates to vote against Sullivan because his election would embarrass the party in the coming campaign, and, on the other hand, the story goes, when Kern offered his services to Sullivan for the pending trial the latter replied: "Why, John, are you not afraid it will hurt your chances for election?" Kern's offer was not accepted, but Sullivan said when asked about the difficulty, that he declined it because he had no need of another lawyer. "But," continued Sullivan, "I think John is talking a little too much. There were no hard feelings between us when I refused to have him as an attorney."

Charged with Highway Robbery.

Enoch Owens, a countryman from Clay City, on his way to Salina, O., stopped off here a few hours Monday night, and while near the depot fell in with Mike Stiles and William Miller, two bad drivers. They induced him, he told the police, to take a carriage ride, and they finally stopped at Jack Christian's saloon on Kentucky street, where they got him drunk. While he was in that condition, he says, the men robbed him of about \$5 and some valuables. Yesterday morning Stiles and Miller were arrested for being drunk, and last night Owens identified them as the men who piled him with blows. The charge of drunkenness was changed to highway robbery.

Orders to the Police.

At roll-call last evening Superintendent of Police Travis called the attention of the patrolmen to the fact that there is much complaint about the way in which wine-rooms are being conducted. He directed them to arrest all improper characters found frequenting these resorts, and also told them to pay special attention to saloon-keepers who allow minors to play pool, or even to watch adults play the game.

RECRUITS FOR THE LEAGUE

Successful Work of One Organization, Typical of Many Others in the State.

The Convention Will Be Devoted to Routine Business, but a Mass-Meeting Will Produce the Enthusiasm—Political Sayings.

There will be little beyond routine business transacted at the State conventions of the Lincoln League and Republican Clubs at Paffin's Hall this afternoon, but from the enthusiasm manifested in extending the organization, the large attendance that is expected and the results of the work the past two years, the League's influence in the coming campaign will be of the best. Its achievements have been made so quietly that they are hardly appreciated outside of the locality in which each club and league exists. Typical of the work of such organizations in this State is the success accomplished by the Lincoln League of Knightstown.

It was the first organization in the State, and among the members are twenty-four young men with Democratic antecedents, who will cast their first vote in November for the Republican ticket. The League has also brought into its fold many whose political affiliations have been regarded as doubtful. It is stated that these votes would have been lost to the party had it not been for the influence of the League.

The Knightstown League was organized immediately after the national defeat, and has been increasing its energy and untiring in its labors in establishing branches throughout the county. Since it was formed it has steadily grown in number and increased in favor till it now assumes a political power in the politics of Henry county. Its founders recognized that during the intervening years of a campaign and not in the heat and turmoil of a national canvass better work could be accomplished in recruiting from the ranks of the young men who are about to cast their first vote, and from all other wavering or doubtful voters, knowing that the true spirit once brought into the organization, their political attitude would be assured. The Lincoln League has met every week for three weeks, and its members are now ready to be tested by the routing attendance at each meeting. It has standing committees for each ward, whose duty it is to keep a correct poll of the ward, and to report the same to the League. It is also a member of the League, and then if necessary the influence of the League is brought to bear toward securing him as a member if his political faith is at all wavering.

The League at all times is well equipped with an abundance of the proper class of literature, and is a valuable medium through which the community at large is supplied with the proper news and elegant club rooms, lighted and heated by gas, and the whole cost to each member is ten cents per month. There is always a sufficient amount in the treasury to discharge all obligations. It is simply a child of the Republican party, with but one object, and that to make proselytes for the cause by instilling in the minds of its members the true spirit of patriotism and love for the old flag, and by perpetuating the great principles of the party advocated by that immortal man from whom the League derives its name.

The work of the Knightstown organization is not exceptional. It is only one of several hundred, delegates from which will meet to-day to consider the best for the furtherance of the party's interests. The League does not encroach upon the regular organization of the party, but acts in union with it in performing a service that is of the greatest importance to the party.

The convention will be called to order at 1 o'clock this afternoon and directly after that the president of the League, J. N. Horton, will give a review of the work. A report from the secretary will be presented, and following it the election of officers will take place. In addition to the League, the president and secretary there will be elected thirteen League managers, one for each congressional district. Besides these an Indiana member and a vice-president of the National League will be chosen. No resolutions will be offered and what speeches may be made will be of the short, snappy character. This evening the mass-meeting at Tomlinson Hall will be especially addressed by Congressman Mason, of Chicago, General George W. Steele, and P. T. Campbell, of Kansas. The latter is regarded as one of the brilliant young orators of the country. He is the secretary of the National Oratorical Association. Other speeches will be made by distinguished Republicans of this city. The music will be furnished by the Hamilton Quartet.

Of the additional delegates selected by the local organizations are those of the Morton Club, which will be represented by Griffiths, Joseph W. Conner, Dr. E. W. Anderson, Louis J. Baker, and George D. Burgess. The delegates of the Porter-Denny Club will be G. F. Christian, J. W. Winn, Richard Wilson, A. Darley, C. Miller.

In Green county a club was organized Saturday last with a membership of thirty-two. The members are: J. N. Horton, president, and Captain Phillips, of Worthington is the secretary. There are twenty-five others expected to join the club this week.

EXTENT OF THE ORGANIZATION.

NEW YORK, May 1.—The national sub-executive committee of the National League of Republican Clubs met to-day and made reports indicating the extent of the organization in every North-east except Colorado and Nevada. It was decided to hold a great ratification meeting in Chicago on the evening of the adjournment of the national convention. The secretary reported total number of clubs at 3,500, and the enrolled membership as 500,000. They expect 5,000 clubs and 1,000,000 members by the time the national convention meets. The committee wished to know that the League has no preference as to candidates. The State convention of the League will be held June 28, at Saratoga.

Word from Hendricks County.

William K. McClelland, of Danville, came in last evening. He is clerk of Hendricks county, and is at the head of the Lincoln League clubs in that locality. "Hendricks county is solid for Harrison," he said. "In other words, they are for him first, last and all the time. The splendid work he did in the last campaign two years ago convinces the Republicans of Hendricks that he is the man for the job, and that will mean his election as President."

"The party in Hendricks county is in better condition than it has been for some time, isn't it?"

"I do not think the Republicans were ever in such good fighting trim as they are now. For many years we, unfortunately, had a factional spirit which has been entirely put away, and every Republican in the county is in the harness. We now have eight Lincoln League clubs in the county, and all will be represented at the coming convention. As president of the Danville League, I have assisted at the organization of nearly all the clubs in the county, and I never saw so much enthusiasm among the Republicans. The young men are thinking active, and nearly all are joining the clubs."

The Spencer Republicans.

Samuel E. Kercheval is in the city to attend the two conventions. He is enthusiastic for General Harrison first, last, and always. The Republican in his neighborhood, he said, last night are wide awake and will be in the count of themselves this year. He reports that the rank and file of the party, down in Spencer county, are in the harness, and that they are in the harness for Harrison. The young men are thinking active, and nearly all are joining the clubs."

The Early Arrivals.

Among the Republicans who came in last night were R. S. Robertson, Fort Wayne; S. E. Kercheval and W. H. Thomas, Rockport; J. R. Cookman and J. A. Hemenway, Boonville; W. R. McClelland, Danville; W. S. Howe, John C. Billeheimer, John W. Wilson and Joseph Gill, Spencer; E. S. Stewart, E. A. Seaton, D. D. Dusen, South Bend; Clark Robbins, Mooresville; L. Curry, Lebanon; T. N. Braxton, William P. Farrell and W. T. Swift, Paoli, and E. F. Webb, Jeffersonville.

Captain Lemons Not a Candidate.

A telegram was received last night, from Evansville, stating that Capt. J. August Lemons, Treasurer of State, had positively declined to be a candidate for the office again at the coming election. A Journal reporter at once sought the Captain and asked him concerning the truth of the telegram. "It is perfectly true," he replied. "My brother left here for Evansville, and I told him to make up his mind to determine whether he was thinking of anything more than proper that the announcement should emanate from my own home."

"What has led to the determination?" "Business reasons, solely. My brother is in

poor health and will go, in a short time, to the Pacific slope to take up a permanent residence. That will leave the enterprises at Evansville in which he has been engaged in my hands, and it will be simply impossible for me to attend to them and the duties of my office also."

"There is no political significance whatever, then, in your action?"

"None. I had the best assurances from the leading men in the party throughout the State that I could again receive the nomination for the office, and I entertain no doubt whatever of the success of the Republican ticket this fall. You may say in the most positive terms that the considerations which induce me to decline a re-nomination are purely of a business nature."

I am interested as a partner in the Evansville woolen mills, a large concern for the manufacture of Kentucky jeans, and also in the wholesale drug business in that city. In addition to these, I have numerous pieces of real estate there which, in view of the thriving condition of the city, need looking after. There are also matters of trust in which I am interested in behalf of others. So you see, all these things absolutely require more time than I can give them while holding this office. The duties of the Treasurer are, I think, more exacting than those of the other State officers, for the reason that the office is one largely of trust. You are compelled to furnish a bond of several hundred thousand dollars, and with the possibility of loss that there is, the position is one of the greatest responsibility and care. I feel certain the decision with some serious regrets, I would like to make the race because I have certain of the success of the Republican party this coming fall. Then I regret to sever the relationship that I have formed in my present position, as they have been of the most pleasant order."

Democratic Conventions.

The Democrats in their judicial convention, which will take place May 12, will have but little trouble in selecting a ticket, as for the two offices for which nominees are to be selected only Judge Sullivan and Major Mitchell are so far named. The latter, of course, desires a re-election as prosecutor, while Judge Sullivan wishes to be retained on the Circuit Court bench. On the same day the Democrats will nominate a joint Representative and a joint Senator for Marion, Hancock and Shelby counties. James B. Curtis, of this city, will doubtless be the nominee for joint Representative, but for joint Senator, O. C. Johnson, Daniel Foley, A. B. Young, H. S. Bigham and Thomas Connors, of Marion; Charles Major, of Shelby, and James Now, of Hancock, are named.

Congratulatory Telegrams.

Among the congratulatory telegrams received by Melville W. Fuller on his appointment as Chief Justice were two from this city one that of Joseph E. McDonald, who telegraphed: "I congratulate you most heartily on your appointment. It is one of which the country will be proud. The report was from Noble D. S. Carter, who sent the following: "Accept my hearty congratulations on your appointment."

Work of the Meat Inspector.

The report of City Meat Inspector Thompson for the month of April, which has been submitted to the Board of Health, shows that he inspected 3,584 head of cattle, 1,100 calves, 1,191 sheep, 135 lambs and 1,567 hogs. He condemned 4 hogs and 11 sheep. To accomplish his work he made 550 visits to pork and slaughter-houses and meat markets.

New Incorporation.

Articles of association were filed with the Secretary of State yesterday by the Muncie Forge and Iron Company, the capital stock of which is \$50,000. The directors are composed largely of Cincinnati gentlemen, George L. Lemon being the only one living in Muncie. The Cincinnati men are John H. Carter, Lewis K. Torbet, Albert R. Corrie and Charles T. Dickson.
